Project duration: April 2022 – April 2023

Country: Republic of Kyrgyzstan

Donor: The project is a part of the ILO/EU Global Programme “Improving Synergies between Social Protection and Public Finance Management” and is funded by the European Union.

The project “**Enhancing disability-inclusiveness of social protection system in Kyrgyzstan**” supports the Government of the Kyrgyz Republic to **design, cost, and implement effective disability-inclusive social protection schemes and services**. The aim is to improve the overall system and enable full participation of persons with disabilities in the community, increasing their skills and **access to employment opportunities and the labour market**.

Project outputs

Output 1: Design and cost of social protection benefits enabling access to employment promotion measures, based on needs assessment of persons with disabilities for labour market inclusion, are endorsed by tripartite constituents and organizations of people with disabilities.

Output 2: Public finance management of social protection schemes for persons with disabilities is improved.

Output 3: Institutional capacity for the implementation of the adjusted benefits and proposed measures are strengthened.
